

Chester Schendel

3165 S.Alma School Rd. / No. 29-217 / Chandler / Arizona / 85248
480-720-7577 / chester@schendeldesign.com

Experience

SpinSix Creative

Senior Designer, February 2005 – August 2005

Worked on a variety of print projects including corporate identity, brochures, packaging, advertisements and direct mail pieces for local and national clients. Interactive projects included websites, HTML emails and landing pages.

VSA Partners, Inc.

Senior Designer, April 2000 – July 2004

Lead design teams from concept through completion for local, national and international clients. Work included identity, corporate communications and packaging with an emphasis on interactive design. Project timelines ranged from one week to nine months. Worked closely with and supervised the work of junior designers and contractors.

Schendel Design Company

Principal, September 1998 – April 2000

Projects included identity, corporate communications, packaging and interactive design. As the principal, all aspects of the business were handled including design, operations and accounting.

Neary and Company

Designer, July 1997 – September 1998

Worked closely with the principal designer on several large scale design projects for local and regional clients such as four star resorts, art galleries and museums. Conceptualized and designed museum exhibits, exhibit signage, wayfinding systems, invites, catalogs and advertisements.

Northland Graphics Digital Imaging

Junior Designer, November 1994 – July 1997

Junior designer for print and interactive media. Projects ranged from identity systems and brochures to websites and CD-Roms. Client files were output to film and paper. Responsible for trapping, imposition and general troubleshooting of all files.

Education

Bachelor of Arts in Visual Communication

Al Collins Graphic Design School, 1998

Associate of Arts in Visual Communication

Al Collins Graphic Design School, 1994

Recognition

Chester's work has been recognized in national and international design publications such as Critiqué, Communication Arts, Creativity 33, D&AD and Graphis. He has also received two ARC awards for his work on the IBM 2000 and 2003 Online Annual Reports.
